## ABOUT KSBL

KSBL was founded with a vision to establish a world-class institution of business learning that will be dedicated to producing creative leaders capable of competing in the global marketplace. KSBL is committed to promoting the core values of diversity, independence, integrity, ethics, and entrepreneurial spirit by creating a community of world-class managers, business leaders and entrepreneurs.

## THE BIG PICTURE, WHY US?

Want to be part of a culturally vibrant intellectual community that we are committed to building? If yes, then KSBL is just the place for you. KSBL prepares you to lead sustainable organizations in a complex and rapidly changing world. Our global group of faculty, advisers, and academic council members constantly anticipate the key skills, concerns, issues, and prospects and adapt the overall KSBL experience to what will help you thrive.

## KSBL BS IT&S

KSBL BS IT&S offers 4-years rigorous training to develop technical expertise and mindset of delivering IT as a service so the organization and its employees can respond to changing business environments. Our BS degree in IT and Systems not only prepares students to understand the business problems behind software design, it also equips them with the aptitude to develop innovative ways to manage data. The program will enable young minds to understand information systems holistically and how it incorporates the technology, people and processes involved with information.

## PREPARE FOR THE FUTURE JOB MARKET

Make the right move to prepare for the job market of the future with rigorous training that would enable you to work in a multitude of areas including

**DESIGNING ALGORITHMS,  
PROGRAMMING, DATA,  
ROBOTICS, AI & MUCH MORE.**

The curriculum includes foundational learning in the initial years, on to more specialized courses, and in-depth understanding of the business and socio-economic impact of these systems. The training by an experienced local and international faculty culminates in an exciting project in which students demonstrate the use of their technical and business expertise.
